

Showdown.

2 cowboys with guns in holsters.

3rd cowboy and a Sheriff.

1st cowboy is sitting down at a table. 2nd cowboy approaches.

C2: It's been told to me that there's a Pre Millennialist in town. That wouldn't be you, would it?

C1: Maybe. What's it to you?

C2: I'm an A millennialist, and I don't believe there's room in this here town for both of us.

C1: Is that so! (stands up). Well, I reckon you just need to mosey along out of here then, because I ain't leaving.

3rd Cowboy comes on the scene.

C3: Boys, this ain't something worth fighting over. Pre Millennialists and A millennialists are all welcome in this town. Heck we even accommodate Post Millennialists.

C2: Mister, you just need to back off. Me and this Pre Millennialist have some business to transact, and my trigger finger is feeling mighty twitchy.

C3: I'm going to get the Sherriff. (*whispers to the congregation* – 'The Holy Spirit'). Give Mike to Sean

C1: You sure you up for this Mr A Millennialist?

C2: I got truth on my side. And right is might.

C1: You don't know the truth, boy. Revelation says that before Jesus ushers in eternity, he will come again, bind Satan for a 1000yrs and reign on earth, and then after a 1000yrs he will release Satan for the final battle of Armageddon.

C2: It's you who are caught up in the lies and deception of the evil one. That 1000yrs is symbolic of the time between Jesus first coming and his second coming. That 1000yrs refers to the time of God's church on earth, which ends when Jesus returns.

C1: Well, if you figure you're so right, you just go ahead and draw your gun and we will see what happens.

Sherrif with the 3rd cowboy appear.

SH: Boys, you know guns are not allowed in this town. So you better hand them over to me right this minute.

Both cowboys reluctantly hand over their guns.

C2: Looks like we are going to have to settle this with our fists.

Both cowboys put up their fists.

SH: Boys, you know fists are not allowed in this town. You need to unclench them. Now!

Both cowboys reluctantly unclench their fists.

C2: Ok, I challenge you to paper, rock, scissors.

C1: You're on.

SH: No boys! You ain't gonna use a game of chance to determine what the truth is.

C1: *(pulls out a coin)* I'll toss you for it. Heads – Amillennialism is right. Tails – Pre Millennialism is wrong.

SH: This is going from bad to worse. Right boys, sit down at this table with me.

(Says to the 3rd cowboy) Could you just get us each a cup of coffee. *(3rd cowboy heads off)*.

First of all, this Millennial stuff ain't worth fighting over.

There's far more important stuff to be focusing on in your walk with God in this town. Sure, discuss Millennialism and explore it, but do it with love and respect, because knowledge puffs up but love builds up. That's the way we do it in this town.

Now boys, I actually know this book real good. Just lean in close and I'll tell you what Revelation means when it talks about the 1000yrs, and which one of you boys is closer to the truth. *(They all lean closer together and the Sheriff whispers the truth. Both C1 and C2 nod and shake hands)*.

Now I want you boys to show a bit of love and shake hands. You reckon you can do that?

The 2 cowboys shake hands.
